Diablo® Steel Demon™ 4-1/2" Corner-Edge™ Flap Disc

Thank you for shopping with us!

Diablo's Steel Demon™ Corner-Edge™ flap discs feature a premium zirconium blend for up to 10X faster material removal when compared to standard grinding wheels. The special flap design offers flexibility and provides for a cushioned grinding effect. Diablo's high performance flap discs combine two steps in one by simultaneously grinding and polishing.

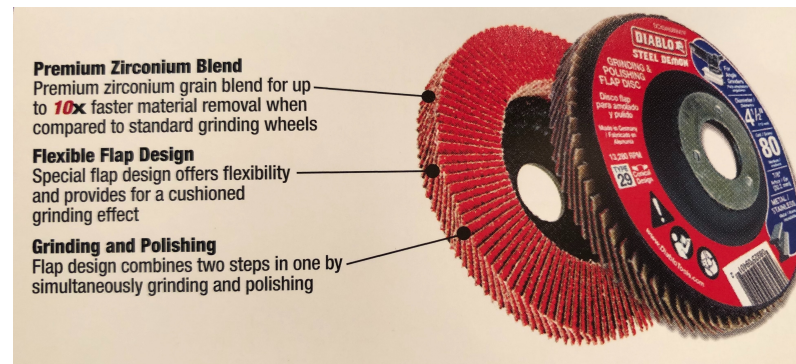

Premium Zirconium Blend is a superior quality formulation designed for fast material removal and long sanding life.

Corner Edge Design—a unique rounded edge for maximum performance and accessibility to reach the most difficult grinding areas. Delivers up to 10X faster material removal than a grinding wheel.

Type 29 - Conical design Arbor - 7/8" (No HUB)

Ideal For: Grinding & Polishing Metal

Available in single packs
