Diablo® Tools Masonry Grinding Disc - Type 27

Thank you for shopping with us!

Diablo's premium masonry grinding discs provide superior performance and increased productivity. Featuring a premium aluminum oxide blend, these discs grind through material faster than other grinding discs and offer an extra long grinding life. Fully reinforced for use in hand-held cut-off work. Ideal for use when working in hard to reach areas. Premium Aluminum Oxide Blend—a superior quality formulation designed for fast material removal and long grinding life. For use on masonry applications: concrete brick, cinder block, cement, paver stones Type 27 - Depressed Center Ideal For: Medium Duty Suggested Projects: Smoothing Seams, Masonry Removal, Masonry Beveling
