Diablo Tools 3-Piece Universal Fit Bi-Metal Oscillating Blade Set

Thank you for shopping with us!

Application-specific designs that deliver maximum durability and longer life in a wide range of applications. These high-performance blades feature an ultra-hardened cutting edge that delivers longer life than standard blades.

Diablo's universal fit bi-metal oscillating blades feature application specific designs that deliver extreme durability and superior cutting life in multiple applications ranging from nail-embedded wood, clean wood, metal and plastics. These high-performance blades feature an ultra-hardened cutting edge to deliver up to 5X longer life than standard blades. Curve contact edge creates a pilot for precise, clean plunge cuts with less vibration. An optimized blade design and Black I.C.E. (Industrial Cooling Element) keeps the teeth cool and build-up free for fast, clean cuts. The blade's universal fit, adapter-free design easily attaches to most tools, with the exception of Starlock tools.

3-Piece set provides up to 40% in savings
