Gunmetal Grey

Gunmetal Grey ACR®

Titanium Nitride

Diamond Tip

Vega Pozidriv® Insert Bits - 1/4"

Thank you for shopping with us!

Made from S2 modified shock resistant steel for professional performance and durability. Proprietary precision CNC machined tips for excellent fit in fastener recess. Titanium nitride bits have a rough surface creating millions of micro gripping points. This extra hard diamond coating wears less and grips better than a Titanium coating. High performance stainless steel ideal for environments where corrosion and rust is severe.

| Item # | Length | Tip/Point | Manufacturer | Unit Price | Pack Quantity | Price |
|--------|--------|-----------|-----------------|------------|---------------|----------------|
| 125Z1A | 1 in | 1 | Vega Industries | \$0.42 | 5 | \$2.10 |
| 125Z2A | 1 in | 2 | Vega Industries | \$0.42 | 100 | \$42.00 |
| 125Z3A | 1 in | 3 | Vega Industries | \$0.42 | 100 | \$42.00 |
