Vega Torxplus® Insert Bits - 1/4"

Thank you for shopping with us!

Made from S2 modified shock resistant steel for professional performance and durability. Proprietary precision CNC machined tips for excellent fit in fastener recess. Precision controlled heat treatment for extreme durability and wear protection. Torxplus® FEATURES

- Spreads driving force over larger area allowing for higher torque transmission • Maximizes engagement between bit and fastener virtually eliminating camout • Reduces tool slippage and application damage • Reduces bit wear, extending tool life

TORX®
