Vega 12-pt Impact Sockets Long Length Thin Wall - 1/2" Sq Drive (SAE)

Thank you for shopping with us!

Made from high grade alloy steel. Rounded corners on hex and square opening for stress relief.

Don't see what you need? Other sizes made to order; please request a quote.

Square Drive Sizes

Working Configurations

6 Pt 12 Pt TORX

Radius corners on hex and square openings for stress relief providing for more torque while reducing fastener rounding

Industrial strength magnets offered in both fixed and spring depth-adjusting configurations

Thin wall sockets designed for limited clearance applications
