Edge of Arlington offers free shipping in the United States when you choose flat rate shipping.
EOASAW 25\% off SALE on Techniks ER Collets!

- Runout (T.I.R.) only 0.0002"
- Collapse range: 0.039"
- Collet sets available
- Also available in metric sizes

Our ER collets are the best in the industry. They are made from high-carbon bearing steel that is heat-treated for improved flexibility and longer life. Each collet is precisely ground and honed using a swiss technique, then individually inspected and tested for quality. Compatible with DR, RD, ESX, AR, \& BR series collets. For best rigidity

Use the table (below) for selecting your replacement collets.
ER collets all have unique length and diameter measurements
