Viking Drill & Tool Super Premium Ultra Bor Acrylic Drill w/Chipfree™ Point Set Type 183-UB

Thank you for shopping with us!

Acrylic Drill Set Type 183 UB All sizes over 1/4" have 1/4" shanks. Super CHIPFREE™ point is precision ground at a 60° angle for gradual penetration to avoid cracking and chipping of the acrylic material. Special 0° rake angle on cutting edge eliminates "grabbing" when drill breaks through plastic, acrylic, or laminate surfaces.
