Viking Drill & Tool Super Premium Ultra Bor Extra Length Drills Type XGT-UB

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping. Ultra Bor Super Premium 6", 9", 12" Special Hi-Molybdenum tool steel. Gold surface treated for maximum lubricity. Heavy duty construction, 135° split point, no center punch needed—will not walk. Gyroidal Torsion flute and wide land construction yields exceptional performance in deep hole drilling applications. Recommended for work hardening grades of stainless steel and other hard metal drilling applications. These drills will drill 12 or more diameters deep without drill removal to clear chips. Feed rates twice that of standard drills.
