### Amana Tool Undermount Bowl w/Ultra-Glide™ Ball Bearing Guide

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping.

These bits prepare and/or finish countertop edges in conjunction with undermount bowl installations. The roundover and ogee bits trim and profile the countertop edges after the bowl is mounted. The bevel bit trims the sink cut-out flush with an installed undermount bowl, but it also can be used with a template to prepare a sink cut-out for a bevel-mount bowl. All these tools can be used for undermount applications of Corian® sink and bowl #'s 802S, 804S, 805S, 809S, and 871S.

Profile Roundover-

Item #	Drill Size	No. of Pieces	Specs-Misc	Price
