Amana Professional Quality Corner Edge Beading Router Bits

Thank you for shopping with us!

Produce three slightly different profiles using this bit—an edge bead with or without a fillet and a full corner bead—by altering the bit extension or rolling the work-piece between passes. This group of hard-to-find tools is particularly suitable for antique reproductions and restoration projects. Use in a handheld or table-mounted router. 1/4" & 1/2" Shank 2 Flute with ball bearing guide Professional Quality Carbide-Tipped

NEW
