Freud Convex Edge Bit

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping

Application: Shallow bull nose profile for edging

- This bit creates a soft, gently rounded edge on any project, or use this bit to plunge route internal cut-outs for use as hand-holds.
- Cuts all composition materials, plywoods, hardwoods, and softwoods.
- Use on CNC and other automatic routers as well as hand-held and table-mounted portable routers.
