Freud Panel Pilot Bits

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping

Application: Template work & cutting openings in paneling, siding, etc.

- Freud's Panel Pilot Bits will outlast high-speed steel bits many times before sharpening. The drill-through point allows self-starting, and the pilot acts as a guide for template work.
- Cuts all composition materials, plywood, hardwoods, softwoods.
- Use on portable routers for template work.
