### Vortex Tool Series 6500 Medium Burr Compression - Two Flutes

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping.

Vortex has developed several new series of tools specifically designed for cutting fiberglass materials as well as composites. Choose between no flute burr design, straight flute, or compression flute where top and bottom surface quality is a concern. Material must be made of all one type and not contain wood, plastic, or aluminum components.
