**Whiteside Machine Conical Ball Nose Spiral Router Bits**

Thank you for shopping with us! Tapered ball nose CNC bits perform better by using a shearing action to leave smoother cuts in your project. Used for lettering, carving, and any detailed projects.

| Item # | Manufacturer | Diameter | Degree | Flute Geometry | Flute | Overall Length | Radius | Shank | Price |
|--------|-------------------|-----------------------|---------|----------------|-------|----------------|---------|--------|----------------|
