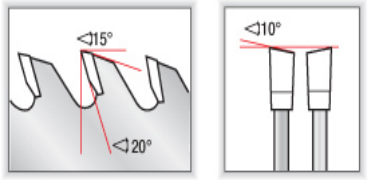
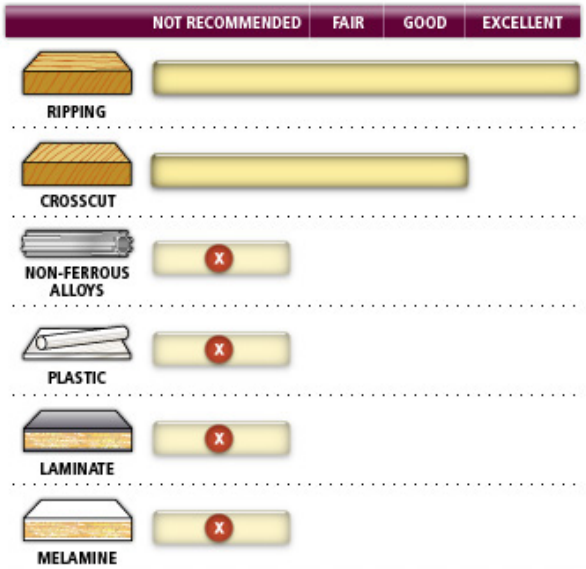
Amana A.G.E. Series Ripping Saw Blades: Heavy Duty, ATB Grind

Thank you for shopping with us!

Heavy duty. Specifically designed for smooth ripping. The low tooth count and large gullets combine to make these blades fast and aggressive. The absolutely flat, laser-cut body ensures precise cuts. The laser-cut expansion slots virtually eliminate vibration and noise. Suitable for use in table saws or gang-rip saws. Warning: Not recommended for cutting non-ferrous alloys, plastic, laminate, and melamine.





Item #	Manufacturer	Diameter	Bore	Hook Angle	Kerf	Pinholes	Plate	RPM	Teeth	Price
