Amana Tool Glue Line Ripping Saw Blades

Thank you for shopping with us! Rip then glue up. With this exceptional blade, there's no need for sanding or jointing after the cut. The precision triple-chip grind and extra-high hook angle (22°) allows aggressive feed rates yet produces an extra-smooth cut finish. The thick plate minimizes vibration. Use on table saws, sliding table saw, single and gang-rip operations. **Warning:** Before use, read saw blade safety guidelines in [Amana's catalog](#).

Item #	Manufacturer	Bore	Diameter	Grind	Hook Angle	Note	Plate	Teeth	Price
610301	Amana Tool	5/8 in	10 in (250 mm)	TCG	22 deg	--	.095 in	30	\$103.24
