Diablo Tools Carbide Grit Jigsaw Blade

Thank you for shopping with us!

Diablo's carbide grit jigsaw blades deliver extreme durability and superior cutting life in abrasive materials such as soft and ceramic tile, and glass. High-performance carbide grit for longer cutting life versus standard jigsaw blades. The optimized blade design and Perma-SHIELD® non-stick coating reduces heat and pitch buildup for fast and clean cuts. T-shank design fits all combo and most U-shank cordless and corded jigsaws. Carbide Grit for extreme durability and superior cutting life. Optimized blade design reduces heat and pitch buildup. Perma-SHIELD® non-stick coating for less heat and friction. T-shank design fits all combo and most U-shank jigsaws. Maximum performance in cordless and corded jigsaws.
