Diablo Tools Diamond Grit Jigsaw Blade

Thank you for shopping with us!

Diablo's diamond grit jigsaw blades deliver extreme durability and superior cutting life in abrasive materials such as glass and hard tile. High-performance diamond grit provides longer life versus standard jigsaw blades. The optimized blade design and Perma-SHIELD® non-stick coating reduces heat and pitch buildup for fast and clean cuts. T-shank design fits all combo and most U-shank cordless and corded jig saws. High performance diamond grit for greater durability and longer life versus standard jigsaw blades. Optimized blade design reduces heat and pitch buildup. Perma-SHIELD® non-stick coating for less heat and friction. T-shank design fits all combo and most U-shank jigsaws. Maximum performance in cordless and corded jigsaws.
