Popular Tools Hardiplank® Polycrystalline Diamond Series

Thank you for shopping with us! Our PCD saw blades are designed for faster, cleaner cuts and will last 150 times longer cutting cement board like Hardiplank®. PCD blades are not intended to cut through nails or staples. 10" and 12" PCD blades with a higher number of teeth are introduced for cutting composite materials such as phonelic with aluminum oxide coating, fiberglass panels, and flooring material coated with aluminum oxide.
