### Tenryu Gold Medal Dado Set

Thank you for shopping with us!

Table Saws.

Superior Cutting Performance.

The Gold Medal Dado Set only adds to Tenryu's reputation as the brand of choice for the finest woodworking. This set produces super-clean dado edges with an astoundingly flat bottom surface in wood materials, and even in melamine.

Blade & Chipper Features:

- Fully heat-treated saw plates for superior endurance under heavy loads.
- Individually hand hammer-tensioned for flat and true runs.
- Fine-grit honing of all sides of teeth for sharp, easy cutting action and long life.
- Super fine-grain carbide grade for longer life and easier resharpening.

Groove Options: 1/4", 5/16", 3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 13/16"

Note: Individual pieces require special order. Outer cutters cannot be used individually. The actual kerf of each is approximately 1/8". Placed together, the result is exactly 1/4".
