Tenryu Pro Series for Plastics

Thank you for shopping with us! Table Saws. Miter Saws. Tenryu's superior quality line for professional craftsmen. Laser cut, press-tempered, individually tensioned, and chrome-plated body bring the cutting edges to the workpiece with unparalleled precision. Fine grain carbide tips are given the tooth configuration to do the job right. Each Blade Features:

- Fully hardened, expertly tensioned tool steel body for true and accurate cuts
- High grade, fine grain, C-4, wear-resistant carbide tips for long life
- Resin bond-filled expansion slots act as built-in dampeners—quiet cuts and reduced chipping
