### Whiteside Plus General Purpose Blades: ATB & TCG

Thank you for shopping with us! General Purpose Saw Blades can be used for ripping, crosscutting, trimming, and sizing. The moderate hook angle provides a good balance between feed and surface quality along with extended blade life. The ATB grind is an excellent choice for cabinet shops, as it performs well in materials such as hardwood, softwood, plywood, and chipboard. The TCG grind excels in composition board, MDF, HDF, and plastic laminates.

Item #	Bore	Diameter	Grind	Hook Angle	Kerf	Note	Teeth	Type	Manufacturer	Price
90104001	5/8 in	8 in	ATB	10 Deg	0.118 in	--	48	Gen Purpose / Crosscut	Whiteside Machine	<b>\$88.42</b>
