Freud Drawer Lock Cutters

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping Freud's Shaper Cutters and Performance System® Cutters are recognized for their versatility, quality, and innovation. Freud offers the flexibility to choose from a premium cutter that fits every need. The conventional fixed wing shaper cutters and Performance System Cutters with re-sharpenable inserts both feature Freud's exclusive TiCo™ Hi Density Carbide, Kickback Reducing Design, Shear Angle, and Multi-Axis grinding. Designed for 1/2" and 1/4" thick stock, these cutters provide a strong joint for drawer fronts. Run the drawer face flat on the shaper table, and the drawer sides vertically on the fence. Once correct setup is attained for drawer front, height of cutter

does not need to be changed to run drawer sides. 3 Wings
