Freud Vertical Raised Panel Cutter

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping Freud's Shaper Cutters and Performance System® Cutters are recognized for their versatility, quality, and innovation. Freud offers the flexibility to choose from a premium cutter that fits every need. The conventional fixed wing shaper cutters and Performance System Cutters with re-sharpenable inserts both feature Freud's exclusive TiCo™ Hi Density Carbide, Kickback Reducing Design, Shear Angle, and Multi-Axis grinding. Freud's vertical raised panel cutter is designed to provide a full profile reveal, while keeping cutter diameter to a minimum. This reduces the stress on the spindle and will work well on lower powered shapers. 3 wings
