### Vortex Tool Series 8200 Insert Round & Rout

Thank you for shopping with us!

Unique "capture" groove allows this series of insert tools to maintain small cutting diameters, while still providing two cutting edges. Designed to cut .010" through on 3/4" material and top edge round. It is recommended that you ramp in or start off the part when using this tool. Tool is designed so that one body accepts all five inserts! Specify which set of inserts is to be included with the original body purchase.

Item #	Radius	Small Diameter	Type	Note	Manufacturer	Price
