Item #02912, Viking V-Line Heavy Duty Type 248-A - 12 Pack \$37.68

Thank you for shopping with us! American Made value line drill.

Black Oxide 135° split point drills are self centering and perform well in harder metals.

Heavy-duty construction makes this series of drills ideal for the medium to light tensile strength metal drilling applications.

Type 248-A is designed for the user whose applications are well-served without the need for the tighter tolerances of our standard Type 240-A.
