Item #08719, Century 14 in Dia, 1/8 in Thick, 1 in Arbor High Speed Saw Blades (Metal)

$13.99

Thank you for shopping with us! Century's High Speed Saw Blades (Metal) are designed for cutting all types of metal and masonry materials. Available in 1" and 20mm arbors for all popular saws. Heavy gauge fiberglass reinforcement withstands high speeds associated with gas powered saws. Cuts all types of ferrous and non-ferrous metals including rebar, steel, pipe, sheet metal, and stainless steel. Double fiberglass reinforced for safety and increased durability.
