Item #09111, Hougen 12,000-Series Hole Enlarging Pilot Kit **\$64.80**

Thank you for shopping with us! Take an existing hole and make it larger. Available in three select sizes. Replaceable nose screws on to the end. (Cutters Sold Separately - Only for use w/ 2 in DOC Cutters) Once in a while things happen. For holes that weren't drilled right the first time, Hougen has these unique Hole Enlarging Pilots for magnetic drills that allow you to re-drill the hole to the larger correct size. A quick and easy way to fix mistakes. Available individually or in kits. Made in the USA.
