### **Item #10709, Viking Super Premium Ultra Bor HSS Spiral Point Plug Taps Type 21-UBN - Titanium Nitride: Metric \$56.25**

Thank you for shopping with us!

- Spiral point taps are designed for machine tapping through holes in a wide variety of materials. The point of the tap continuously ejects the chips ahead of the tap, eliminating chip disposal problems and thread damage.

Titanium Nitride increases wear resistance by producing a higher surface hardness and exceptional lubricity, resulting in longer tool life.
