### **Item #125H0764SS, Vega Hex Insert Bits - Stainless Steel - 1/4" - Pack of 5** **\$17.30**

Thank you for shopping with us!

Made from S2 modified shock resistant steel for professional performance and durability. Proprietary precision CNC machined tips for excellent fit in fastener recess.

**Stainless Steel:** Ideal for environments where corrosion and rust is severe. The high performance stainless steel used by Vega provides a superior mix of strength and corrosion resistance.

It is recommended to use stainless steel bits with stainless steel fasteners to prevent contamination of stainless screw heads.

- Multiple driver tip configurations available
- Helps control contamination and corrosion
- Excellent for use with stainless steel fasteners
