**Item #125P2DT, Vega
Phillips Insert Bits -
Diamond-Tipped - 1/4" -
Pack of 5
\$13.00**

Thank you for shopping with us!

Made from S2 modified shock
resistant steel for professional
performance and durability.
Proprietary precision CNC
machined tips for excellent fit in
fastener recess.

Diamond-Tipped: Diamond grit is
embedded in the steel substrate
and improves screw engagement,
reducing the risk of damage to the
screw recess or camout. This extra
hard diamond coating wears less
and grips better than a Titanium
coating.

 Diamond grit is embedded in the steel
substrate and improves screw engagement
reducing the risk of damage to the screw
recess or camout. This extra hard diamond
coating wears less and grips better than a
