Item #125P2RX, Vega Phillips Reduced Head Insert Bits - 1/4" - X-Hard \$40.00

Thank you for shopping with us! Made from S2 modified shock resistant steel for professional performance and durability. Proprietary precision CNC machined tips for excellent fit in fastener recess. Reduced head diameter for additional clearance commonly needed with drywall screws.

X-HARD - Extra Hard bits undergo an extended heat treatment process giving them superior strength vs regular bits.

An x at the end of a part number denotes an extra hard bit.
