1/4"

**Item #125T40DT, Vega  
Torx® Insert Bits -  
Diamond-Tipped - 1/4" -  
Pack of 5  
\$16.60**

Thank you for shopping with us!

Made from S2 modified shock  
resistant steel for professional  
performance and durability.  
Proprietary precision CNC  
machined tips for excellent fit in  
fastener recess.

**Diamond-Tipped:** Diamond grit is  
embedded in the steel substrate  
and improves screw engagement,  
reducing the risk of damage to the  
screw recess or camout. This extra  
hard diamond coating wears less  
and grips better than a Titanium  
coating.

 Diamond grit is embedded in the steel  
substrate and improves screw engagement  
reducing the risk of damage to the screw  
recess or camout. This extra hard diamond  
coating wears less and grips better than a  
Titanium coating.
