Item #1302, Whiteside Mortise 3/4 x 3/4 Bit \$22.68

Thank you for shopping with us! If you need a square corner on your mortise, use Whiteside's [Square Corner Chisel](#). Mortise bits are a must have for cutting out small pockets commonly known as mortises. Featuring a short down shear flute for a finished top edge, these bits are recommended for cutting mortises on door hinges.
