Item #165-400, Amana Timberline General Purpose Wood Cutting Trim **\$31.15**

Thank you for shopping with us!

Contractor saw blades excellent for cutting hardwood, softwood, and veneered plywood. Featuring an ultra-thin kerf design requiring less horsepower and reduced stock loss. Tensioned and heat treated plate for virtually no run-out and premium carbide tips that can be re-sharpened many times. Designed for small portable electric and battery powered cordless saws. Skin-packed and carded for display.

Product Information: • ATB Grind • Thin Kerf • Carbide Tipped • Professional Quality • Carded Packaged

Denotes 5/8" arbor with diamond knockout.

Framing. Wood Decking. Shelving.

Also fits the following saws: DeWalt® DW007K-24Volt -
