Titanium Nitride

Item #170R3A, Vega Square Power Bits - 1/4" - Pack of 10

\$9.60

Thank you for shopping with us!

Made from S2 modified shock resistant steel for professional performance and durability. Proprietary precision CNC machined tips for excellent fit in fastener recess. Titanium nitride bits have a rough surface creating millions of micro gripping points. Extra hard bits undergo an extended heat treatment process giving them superior strength vs regular bits.
