Item #180-22, Amana Professional Quality Signmaking & Lettering Router Bit \$55.69

Thank you for shopping with us! Signmaking bits were originally developed in Europe specifically for professional sign-makers. This solid-carbide bit features an extra-fine 60° point that produces a clean, precise cut. For those intricate lines, this bit is superior to standard "V" groovers. Makes crisp, clean cuts in solid woods, MDF, and acrylics.
