### **Item #2325, Vortex Series 2300 Pass-by/Deep Pocket Mortise 1/2x1 1/2 Upcut \$141.36**

Thank you for shopping with us! Pass-by router bits have a long overall length and a reduced diameter between the end of the cutting edge and the shank of the bit. This bit design is well suited for deep pocket mortise cuts and step cutting through thick materials. Available in two or three flutes in roughing or finishing geometries.
