Item #24330, Century 29-Piece, 135 Deg Black Oxide Drill Bit Set - Drill Pod **\$149.99**

Thank you for shopping with us!

- Manufactured from industrial high speed steel; surface treated for high performance and long life
- M2 grade steel for drilling common steel (flat bar, angle iron, tubing), wood, and plastic
- No center punch needed: 135-degree quick-cut points are self-centering and penetrate faster with less pressure; will not “walk” or “wander” at the starting surface
- The unique flute design allows for fast chip removal, ensuring the cutting point remains cool, reducing wear for a longer cutting life.
- Set includes 1/16” to 3/8” by 32nds drill bits
