Item #24506, Century 3/32 in, 2 1/4 in OAL, 135 deg Black Oxide Drill Bits - 12 Pro Pack
$19.99
Thank you for shopping with us!
• Manufactured from industrial high speed steel; surface treated for high performance and long life
• M2 grade steel for drilling common steel (flat bar, angle iron, tubing), wood, and plastic
• No center punch needed: 135-degree quick-cut points are self-centering and penetrate faster with less pressure; will not “walk” or “wander” at the starting surface
• Dsigned for drilling soft metal, mild steel, wood, plastic, and PVC
• Manufactured from industrial high speed steel; surface treated for high performance and long life
• Black Oxide drill bits offer 6 times Life Rating when compared to standard 135-degree point drill bits
• Use with Cutting Oil when drilling metal.
