Thank you for shopping with us!

18° Point - High-Speed Steel - General

Purpose, Bright-Flute thru 3/4" diameter.

Surface treated flutes over 3/4" diameter.

- Can be used for all screw machines qualified to run in all applications.

- This drill is designed for ease of penetration and to facilitate chip removal in tough, hard materials.

- May also be used in portable drilling equipment.

The short length of drill and flute makes this an especially rigid drill for greater drilling accuracy.
