301505

Item #301505, FS Tool Industrial Quality Hogging Units W/Disposable Knives: Replacement Parts

\$9.30

Thank you for shopping with us!

Design:

- High tensile strength steel body with solid carbide reversible inserts.
- Inserts have 4 cutting edges with chip breaker.
- Hogger set consists of elements that can be three different diameters (234mm, 242mm, and 250mm). This allows for different profile solutions as per drawing examples.
- Chipping width available from 19.2mm and wider, in increments of 15mm.

Application:

- For chip-free sizing of panel materials on double-end tenoners and trimming machines
