Item #3168, Vortex Series 3100M Two Flute 9/16 x 1 Mortise Compression Spirals: the "Viper"

\$121.95

Thank you for shopping with us! This series of compression spirals is designed for doing mortise cuts or cutting material 5/8" thick or less. Designed with a 1/4" upcut or less, preventing chipping and fuzzing on top and bottom of the material being cut. "Mortise cuts" are grooves cut in the material usually at a depth equal to or slightly less than the diameter of the tool.
