### Item #3292, Whiteside Machine 1/2" Shank, 1-3/8LD Door Edge Router Bit (Front Face Edge)

**\$45.22**

Thank you for shopping with us! Whiteside Machine 1/2" Shank, 1 3/8LD Door Edge Router Bit (Front Face Edge) has an overall design similar to a standard edge profile bit. However, the profile width is much larger for trimming the edges of a large workpiece such as a table. The 3292 is also a good option to use as a Door Edge bit.
