Item #3292, Whiteside Small Thumbnail Table Edge 7/16" Profile Width, 1-3/8" Lg Dia, 1/2" Shank Router Bit \$45.22

Thank you for shopping with us! Whiteside Small Thumbnail Table Edge 7/16" Profile Width, 1-3/8" Lg Dia, 1/2" Shank Router Bit has an overall design similar to a standard edge profile bit. However, the profile width is much larger for trimming the edges of a large workpiece such as a table. The 3292 is also a good option to use as a Door Edge bit.
