Item #3374, Whiteside Machine 1/2" Shank, 1-5/8" Lg Dia Vee Panel Tongue Router Bit - 2-Piece Set - 5/8" - 1" Material Thickness \$172.54

Thank you for shopping with us! Use the two-piece Whiteside Machine 1/2" Shank, 1-5/8" Lg Dia Vee Panel Tongue and Groove set with a ball bearing guide for connecting a joint in your project. This joint is different from a standard tongue and groove since it allows for a small vee groove above the joint. Recommended for a material thickness of 5/8" - 1" . Any material over 1" thick will require a second cut on the tongue profile to waste away excess stock. Materials: Natural woods, composite woods Recommended RPM: 12,000-14,000 (max 16,000) Ball Bearing Guide Order 3374 for two piece set. Order 3374A or 3374B for individual cutters.
