Item #370-12, Amana Professional Quality Corner Edge Beading Router Bits \$28.81

Thank you for shopping with us!

Produce three slightly different profiles using this bit—an edge bead with or without a fillet and a full corner bead—by altering the bit extension or rolling the work-piece between passes. This group of hard-to-find tools is particularly suitable for antique reproductions and restoration projects. Use in a handheld or table-mounted router.

1/2" Shank
2 Flute with ball bearing guide
Professional Quality Carbide-Tipped
