Item #37311, Century 11mm x 94mm CL x 142mm OAL Brad Point Drill Bit - Reduced Shank

$9.99

Thank you for shopping with us!
• Designed to work for all wood projects, especially suited for furniture making, cabinetry, and doweling where an exact hole is required.
• Made of heat treated high speed steel, for a longer, more useful life.
• Use in hand drills, electric drills, drill presses, and lathes.
• Self-centering tip for accurate, clean cuts.
• Metric and fractional sizing available.
