Item #3950, Vortex Tool 1/2" x 2 1/2" Compression Door Bit

\$174.11

Thank you for shopping with us! This door bit is favored by customers cutting lock set and light openings on wood veneered and wood core doors using a CNC, point to point, or KVAL machine. This tool is designed to cleanly cut the top and bottom edge on all common wood door cores—particle core, stave core, LVL core, and even mineral core doors. *Not for use on steel doors.*
